This worksheet contains five horizontal rows, each enclosed in a black rectangular border. Each row is designed for a cutting activity. On the left side of each row, there is a small icon of a pair of scissors. On the right side of each row, there is a small image of a yellow skid steer loader. The rows are distinguished by the pattern of the dashed line that runs from the scissors icon to the loader icon: the first row has a straight horizontal dashed line; the second row has a wavy dashed line; the third row has a regular sine-wave dashed line; the fourth row has a dashed line with larger, more pronounced waves; and the fifth row has a dashed line forming a regular zigzag pattern.
